Sioux City Ford, Vehicle Exhaust Removal

Application Spotlight Location:

Sioux City Ford Dealership
Sioux City, IA

Monoxivent Sales Rep:

Air Side Components
(Brian Hansen) Omaha, NE

Air Side Components partnered with CW Suter to provide a complete vehicle exhaust removal system at the dealership.

The job includes 17 underfloor exhaust outlets with Series 3000 no-crush hose, along with 17 23827 tailpipe adapters. In addition to this a REFCO (Refuse Clean Out) was incorporated. The fan was a Backward Incline BI-195 model for 5100 CFM at 4.5" SP and 7.5-HP.
